SHORT ANSWER PRACTICE

Name:_____ Date _____Hour:_____

Directions: Answer each question with a complete paragraph. Make sure to begin with a topic sentence, answer all parts of the question, and explain your position fully.

1. Why does Melba continue to go through with the integration of Central High School in the face of dangerous opposition?

2. Early in the novel, Melba's family is overcharged at the grocery store and is powerless to do anything about it. How does this influence her view of the world around her?
