Write your elective choices in the order desired. Be sure to include full name/level (example: French 3-4).

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

*Please choose your elective options carefully. Elective changes can be difficult or impossible to make once school begins.

NOTE:

- Placement into required classes to meet graduation requirements will take priority over your elective choices.
- If any of your elective classes are full, counselors will place you into another available elective class at their discretion.
- It is very important that you carefully consider your choices, as you will be taking your elective classes for the entire school year.
