COMPREHENSIVE NEEDS ASSESSMENT		
PRIMARY NEEDS STATEMENTS AND DESIRED OUTCOMES	2.1	Our faculty needs to develop a better understanding of the academic and social support needed by our specific population students (ELD and ESS). PLC protocols need to be revisited and reinforced so that collaborative work is reflected and the data provided.

		Campus leadership will resume walk-throughs to collect data on the progress of our school initiatives.
	2.3	Certified Staff will intentionally plan instruction that supports every student in meeting rigorous learning goals by differentiating instruction and implementing Universal Design for Learning
	4.6	We need to review and revise PLC resources and protocols . We also need to review timelines and build in structures of accountability.
