Course Descriptions:

- * Freshman may register for any beginning level course, or may move into Intermediate or Advanced courses with instructor approval.
- * Contemporary Music: students create, arrange, and perform contemporary music for recording and live performance. Perform on 'rock band' instruments, computers, and voice.
- * Creating Music Through Technology: For student with little to no musical experience, use a variety of computer programs to produce music for movies, podcasts, and create songs.
- * Technical Theatre: learn the principles and techniques of set design, scenery, construction, stage lighting, audio engineering, costuming, and makeup for theatrical productions.
- * Explorations In Art: exploratory course covering most art mediums: drawing, painting, sculpture, ceramics, graphic arts, and photography.
