School Bioscience Bostrom Desiderata Linda Abril Phoenix Coding Academy PXU Digital Academy Wilson College Prep	Course Offered Explorations in Art Digital Photography Explorations in Art Ceramics Explorations in Art Drawing and Painting Explorations in Art Explorations in Art Digital Photography

Course Descriptions:

- * Freshman may register for any beginning level course, or may move into Intermediate or Advanced courses with instructor approval.
- * Contemporary Music: students create, arrange, and perform contemporary music for recording and live performance. Perform on 'rock band' instruments, computers, and voice.
- * Creating Music Through Technology: For student with little to no musical experience, use a variety of computer programs to produce music for movies, podcasts, and create songs.
- * Technical Theatre: learn the principles and techniques of set design, scenery, construction, stage lighting, audio engineering, costuming, and makeup for theatrical productions.
- * Explorations in Art: exploratory course covering most art mediums: drawing, painting, sculpture, ceramics, graphic arts, and photography.
