WELCOME SPARTAN FANS

TO THE 2020 FOOTBALL SEASON >>>

Welcome and thank you for your support of Camelback athletics! My name is Andrew Chavez and I am this year's Assistant Principal for Student Opportunities. Camelback High School values the important role that athletics play in contributing to a successful education and is an intricate part of the Phoenix Union mission to maximize the potential of bright students who learn differently through sports.

Camelback High School is a proud member of the Arizona Interscholastic Association (AIA) and fields boys and girls athletic programs, in Varsity, Junior Varsity and Freshman sports.

As a former high school and collegiate athlete, I know that athletics played a major role in helping prepare me for college and the adult world. Because of sports, the lessons of my coaches, and the games I played, I developed skills in time management, problem solving, delegation, motivation, and team building.

Camelback's Athletic Department's philosophy is that the student athlete's pursuits on the field should be equally measured with those off of it. To that end, a Spartan athlete should pursue personal growth through academic work, team experiences, and as an ambassador of our school.

Coach McNutt and his staff strives to maintain an outstanding football program, conducted in a manner that sets an example for good sportsmanship. His primary concern is the education of the student-athlete.

Coach McNutt celebrated a successful season in Spartan Athletics history in 2019-20, only to challenge himself, his staff and players to exceed those accomplishments of the 2019-20 season. In doing so, he has elevated our standard of success both on and off the playing field and our expectations are even greater entering 2020-21. Coach McNutt is returning key players showing promise in playing at the collegiate level which will increase our level of success and excitement for the fan. You play a pivotal role and own a piece of the achievements of our program, and the successes would not be possible without your generous support. As we embark on a new season, our focus remains on the **IMPACT** you create within our athletic department every day. Thus, **I ENCOURAGE YOU TO JOIN THE SPARTAN BOOSTER CLUB**. By supporting our student-athletes, you will witness the incredible impact your contributions make as they continue to further enhance the story and future of Spartan Athletics.

On behalf of our Principal Mr. James Arndt and the rest of the Administration team, I welcome you to a new beginning in Camelback Spartan Football and the comfort that Spartan Football will provide you with a fulfilling and exciting 2020-21 season.

WE ARE THE SHIELD!

Respectfully,

Andrew Chavez

**Brandon McNutt** >> VARSITY HEAD COACH

Coach Brandon McNutt is starting his second year as the head football coach at Camelback High School, after having led the Spartan football program from 2010-2013 and 2015. During 2015 football season, the program was awarded the Matt O. Hanhila Sportsmanship Award for Division III. Brandon's prior head coaching experience includes the 2002 and 2003 football seasons leading the Carl Hayden High School Falcons. At Carl Hayden, Coach McNutt was recognized as Arizona Republic West Valley Coach of the Year and Arizona Republic "Most Underrated Coach". At Camelback, Coach McNutt has obtained two of the best football records in the last 20 years as well as 19 football scholarship opportunities for the Spartan football student athletes.

Coach McNutt received his Bachelor's Degree from Arizona State University and his Master's Degree from University of Phoenix. Brandon and his wife Angie have two children, Dominick and Maximus.

Establish in 1954, Camelback has a rich history of academics and athletics, and it is our vision to bring it back to its formal glory. I, personally, take great pride in this because my father is a Camelback alumnus, Class of '65 and I am a product of the Phoenix Union, Central alumni, Class of '93.

Last year was my first year back coaching the Camelback Spartans and finished the season 4-6, but this is only the beginning. Currently, our program is returning 22 starters on the Varsity level and are looking to win our first region championship in over 17 years.

**Jeremy Lord** >> RUNNING BACKS

I have over 25 years of coaching experience at both the middle school and high school level.

I have been a varsity assistant and Head coach for various sports.

Head JV Football coach for one year at Camelback.

CREED

I am proud to be a "Spartan".

I will dedicate myself to the Spartan Football Creed.

I will win with humility and lose with grace.

As a Spartan I take pride in my education

Putting it above all.

I will honor my school by respecting the game,

My academics, My teammates, My coaches and myself.

I will give 100 % every second of every day.

Anything less would be quitting

And quitting has no part in the game or life itself.

As a Spartan family we will win through this creed!
