

How to Access and Use EBSCO's LearningExpress Library

Improve your academic skills. Prepare for high-stakes tests. Become college- and career-ready.

EBSCO's LearningExpress Library is a user-friendly, comprehensive, online resource, providing scholars with practice tests, career exploration, skill building resources for math, English language arts, social studies, science and technology, and much more.

- Go to pxu.org/library/testprep or scan the QR code.

- Click on the LearningExpress Library icon or link. On the EBSCO landing page, select the LearningExpress Library icon.
- EBSCO LearningExpress has two separate modules: LearningExpress Library (under the Public Library heading) and PrepSTEP (under the High School heading). Both resources provide academic skill-building, test preparation, and career exploration.
- For remote access to LearningExpress, you will need to enter the PXU login information. Contact your campus library for the Research Database Passwords

LearningExpress LIBRARY

From the EBSCO landing page, select the LearningExpress icon.

EBSCO LearningExpress has two separate modules: LearningExpress Library (under the Public Library heading) and PrepSTEP (under the High School heading). Both resources provide academic skill-building, test preparation, and career exploration.

- LearningExpress Library gives students access to test preparation for ACT, ASVAB, PSAT, SAT, AP, GED, and much more. Also, skill-building resources and prep for the U.S. citizenship exam and Green Card in Spanish.
- PrepSTEP is a high school focused resource with skill-building practice and review for computer skills, English language arts, math, science, and social studies. Also included in PrepSTEP are career exploration and college prep resources.

Ferguson's Career

Ferguson's Career Guidance Center is a comprehensive career exploration resource offering information on careers, colleges, scholarships, an interest inventory, and video interviews.

Taking practice tests, accessing the eBooks, and using the tutorials will require that you register. . .

- **New Users** – you will need to register in LearningExpress since it is the only way you can be shown your test scores and progress each time you take a practice test, use a tutorial, or read an eBook. Select **Sign in/Register** in order to create an account.

- If you have already created an account, enter your **username and password** in the Login screen and click the **Login** icon. If you have forgotten your password, click on the **Forgot Password?** Link.

- Click on the **Register** icon to create an account.

- **Make sure that the institution listed at the top is the Phoenix Union High SD 210.**

- You will need a valid email to register in LearningExpress and have the ability to retrieve or reset your password if you forget it. **Use your PXU email when registering.**

- Passwords must be at least 10 characters, including numbers and special characters. **Use a variation of your PXU computer password when registering so it is easy to remember.**

- After creating your username and password, record it here –

LearningExpress Username: _____

LearningExpress Password: _____

Tip: Enter your LearningExpress login information into your phone's Notes or take a picture of this completed page so you can easily access your login information.
