This year, Parent Teacher Conferences will be virtual. Starting at 5pm your child will log you into their 1st period class as if they were beginning a normal school day!

From there you will follow your student's schedule and will sit in on each class for 15 minutes with a 5 minute transition period in between.

*Please sign into the first class 15 minutes before 5pm so you can address any technical issues.*

We look forward to seeing all of you on September 2nd!
