#### Check & Connect

This daily extension of time, which is a continuation of Period 4, is designed for students to receive critical information about the opportunities available to them for academic, social, and emotional well-being. During this time, students will:

- Receive campus and District news/announcements
- Review current/updated safety expectations and protocols
- Obtain information about available intervention and support opportunities
- Participate in surveys and give feedback to the school/District
- Receive updates about sports and extra-curricular opportunities
