The Phoenix Union High School District Governing Board called for the Maintenance and Operations (M & O) Override election because budget override authorization expires after seven years and must be brought back to and approved by the voters in order to continue.

There will be no expected tax increase with voter approval of the override. The estimated tax rate associated with the Maintenance and Operations Override renewal is $.47 per $100 of homeowner assessed value. This equates to an annual amount of $66.50 for an average home in the District.

The override will request voter authorization to continue to exceed the Revenue Control Limit by 15 percent for fiscal year 2022-2023 and six subsequent years, a continuation of the existing override approved by the voters in 2017.

The override amount for the first year of the proposed override is expected to be $28,551,254.

The override funds will continue to fund the following areas: maintain smaller class sizes; enhance course offerings for more rigorous academic course work; strengthen alternative education programs; electives such as band and theater; attract and retain the highest qualified educators; fund small specialty schools; fund student services and counseling as well as safety and security; and extended learning time for academic interventions; student competitive athletic programs.

Election Day is Tuesday, November 2
Phoenix Union High School District 2020-2021
