

Dear Champion Students, Families, and Community,

It is with an array of emotions that I write to inform you that I have accepted the position of Director of Multi-Tiered Systems of Support for the Phoenix Union High School District. Serving as the principal of Cesar Chavez High School for the past six years has been the most rewarding experience in my professional career. I have had the privilege of working with a talented and compassionate staff. I thank all of them for their commitment to caring for our kids and preparing them for their lives beyond high school.

Our students are why we do this work. We have the most talented and beautiful children. They deserve our best, and I have been honored to love, support, and help our students work to be the best versions of themselves. I will miss welcoming our students every day, building relationships, celebrating their successes, and supporting them through their struggles. I love you, Champions, and I will always be proud of all we have worked for at Cesar Chavez High School.

My work is not done. The new position will not start until after graduation, so we want to make sure that we all finish the school year strong. The next three months are crucial to supporting the graduation of our seniors, continuing improvements to our campus, and preparing for the 2022/23 school year. I am committed to ensuring that I leave Cesar Chavez High School in great shape for the new principal.

Thank you for all the love and support you have afforded me over the past six years. The greater CCHS community has made me feel like family through the successes and struggles. There is so much good that is here, and that awaits our school and community.

Once a Champion, Always a Champion.

Sincerely,

Matthew Georgia
