

Participatory Budgeting

Participatory Budgeting is a democratic process in which community members (students, staff, and parents/guardians) directly decide how to spend part of an allocated district budget.

PXU was the first school district in the United States to implement districtwide Participatory Budgeting to empower student voice and include students in the decision-making process.

For the 2020-2021 school year, we will run three simultaneous processes for each stakeholder group:

- **Student led PB process**
- **Staff led process**
- **Parent/Guardian led process**

Each campus will have a site-level committee for each stakeholder group. Committee members will participate in all site-level meetings and lead the PB process at their campus level. A District Steering Committee for each stakeholder group will be formed with members from each site-level committee for each stakeholder group. Please contact the Principal's office if you are interested in participating.

Laura Gomez 602.764.7108

Ely Hernandez 602.764.7102

Works with students to improve attendance, places students on Attendance Contracts and schedules Attendance Hearings.

Student Prevention Intervention Specialist:

TBD 602.764.7213

Coordinates skill building groups, restorative conferences, and counseling services.

Counseling Office 602.764.7024

Nurse's Office 602.764.7114

ESS Office 602.764.7118

Campus Interventions and Supports

Tier 1

Interventions and supports focus on prevention strategies available to all student. Specific interventions may be assigned as needs are identified:

- **PBIS**
- **Community Building / SEL**
- **Prevention Education (videos, resources, tools, etc.)**
- **Basic Needs (food, clothing, resource supports)**

Tier 2

Interventions and supports are targeted strategies assigned to focus on a specific behavior or need:

- **Academic Interventions**
- **McKinney-Vento services**
- **Skill building Intervention Groups**
- **Mandated Intervention**
- **Restorative Conference/Mediation**
- **Counseling Services (Individual and Group)**

Tier 3

Interventions and supports are more intensive and individualized to focus on remediation specific behavior or need:

- **Regional Intervention Program**
- **Emotional Crisis Supports**
- **Threat Management Team (TMT)**
- **Re-entry supports**
- **Referral to Services**

Clubs, Leadership Opportunities, and Extra Curricular

We believe that a comprehensive and balanced assortment of extra-curricular activities and athletic programs are an essential complement to educating the whole child. Participation in extra-curricular activities provide an opportunity to learn the values of teamwork, individual and group responsibility, and leadership; as well as a channel for reinforcing the lessons learned in the classroom. For a list of clubs, visit the campus website [Clubs & Groups](#).
