Over 1,000 higher level classes offered

WE DON’T WANT YOU TO JUST GET THROUGH HIGH SCHOOL, WE WANT YOU TO EXCEED.

EXCEED your expectations with college-type classes such as Honors, Advanced Placement (AP) or our International Baccalaureate (IB) programs. We have Dual Enrollment classes that will give you community college credit while still in high school. Not sure if you are college material? Our AVID (Advancement Via Individual Determination) program is making college a reality. We have more counselors per student than any other school district, and they will put you on a plan to map out your success, and assist you and your family in finding financial aid, grants and scholarships. Through community programs like Be A Leader, Hispanic Mother-Daughter and university and community college partnerships, you’ll learn what it takes to get to college. We’ll prepare you for the SAT and ACT college entrance exams with tutoring and workshops. At Phoenix Union, as a junior you’ll take the ACT for free.

High school is where you can really **express** yourself. It's fun and creative. It's a great way to meet new people and discover or expand your talents. At Phoenix Union, we have no limits when it comes to the classes and activities we offer. Don’t limit yourself. You may have a gift or talent not yet uncovered. Experience is not required. High school is the time to try new and different things. You'll be amazed at what you will learn and what you are able to do.
Over 50 Classes Offered in the Arts!

I enjoy being involved with performing arts - Dancing, showing what I've got.

Over 6,000 PUHSD Students Play Interscholastic Athletics - 21 Sports to Choose From!
I like the games—football and basketball. It’s cool when your school has school spirit. –Andres, Maryvale

Hear the roar of the crowd, see the blaze of school colors and watch the dancing mascots. Experience the rivalries, join the pep rallies, and cheer with the marching bands and spirit line. EXHILARATE your senses and represent your school. Whether you are an athlete, a cheerleader or a fan in the stands, there is something special about high school athletics. There are 21 interscholastic sports for boys and girls to choose from, along with dance squads, flag lines, and more. Some schools also feature club sports, like handball. Phoenix Union offers freshmen, junior varsity and varsity levels in most sports. Our athletes play and prepare on quality fields and courts, awesome stadiums and gymnasiums, impressive weight and training rooms, and all-weather tracks. There’s quality equipment, cool uniforms, fun road trips, and tournaments and the chance for victory in the playoffs and championships.

At a Phoenix Union School Today!
Welcome to Lion Country! Alhambra is a **COLLEGE-GOING HIGH SCHOOL**. Alhambra offers 72 Honors and Advanced Placement classes and college credit (dual enrollment) courses. Being a part of the **MEDICAL MAGNET** means a chance to prepare to become an athletic trainer or therapist as well as take courses for other medical professions while in high school. Special business programs help prepare students for jobs in Sports and Entertainment Marketing, Accounting or Computer Applications.

Our counseling department provides ECAP (Education and Career Academic Planning) for every student, and through free ACT exams, students can track their **COLLEGE READINESS**. Our students are better prepared each year - seniors earned over $2 million in scholarships in 2013. Alhambra is actively pursuing pathways for our students to earn college credit while in high school. These pathways include the ACE Program, and dual enrollment classes/concurrent courses with Maricopa Community Colleges and Grand Canyon University. Alhambra also participates in PBIS (Positive Behavioral Interventions & Supports). Students acquire skills to make positive academic and behavioral decisions.

Campus activities are non-stop, including **OVER 30 CLUBS**, such as the state-ranked chess club to our renowned student government. There are 20 interscholastic sports available as well as band, dance, choir, and drama. Our “Unit of Distinction” JROTC has drill team, color guard, adventure team and rifle competition, besides its leadership training. With dances, lunch concerts, spirit days and our famous homecoming parade, the fun never ends at Alhambra.

Trevor Browne High School’s mission is to **PROVIDE EVERY STUDENT WITH EQUAL ACCESS TO A RIGOROUS CURRICULUM IN A POSITIVE SCHOOL ENVIRONMENT**. With a full array of Honors and AP courses, award-winning performing arts and visual arts programs, and our six-time state champion JROTC Adventure Team, we firmly believe that every student can be the best they can be at TGB.

We are a college and university-going high school. Each year our seniors garner over $2 million in scholarships to colleges and universities around the nation. We believe in meeting the needs of each learner, whether through our evening school program, online courses, or summer school, because that is who we are, and what we do.

**EXCELLENCE IN EDUCATION, EVERY DAY, EVERY STUDENT.**

Come by and visit us today and see for yourself why IT’S JUST BETTER AT TREVOR.
Camelback High School is A Unified Community
Dedicated to Building Graduates Worthy of the Spartan SHIELD (Stewardship, Honor, Intelligence, Ethics,
Leadership, Discipline). Students are required to do community service, participate in a club or a sport, and
attend campus events to ensure campus and community connectedness.

Camelback features three schools-within-a-school:
• SCHOOL OF ENGINEERING
• CAMELBACK VIRTUAL ACADEMY
• CAMELBACK MONTESSORI COLLEGE PREPARATORY, Arizona’s 1st Montessori high school.

Academically, CBHS’s aggressive Advanced Placement (AP) growth plan has resulted in 15 AP offerings in seven different disciplines. Additionally, Camelback’s intense focus on AVID and ACT, both college-readiness initiatives, has resulted in a dramatic increase in college-going rates and scholarships.

Camelback boasts extensive performing and visual arts programs that include band, guitar, drums, piano, choir, dance, drama, ceramics, drawing, AP Studio Art, and digital photography. Besides fielding every major sport, Camelback offers over 50 clubs that range from archery to fashion to chess. Our College Commons offers ping pong and pool tables, air hockey, basketball hoops, and foosball.

Our innovative ADVISORY PERIOD provides every student with academic intervention and enrichment, as well as an opportunity to create life-long connections with faculty, staff and peers.

Camelback also offers an extensive mandatory tutoring program called “Success is Mandatory.” Peer and faculty tutors provide academic assistance before school, during advisory and lunch, after school, and on Saturdays.

Camelback is dedicated to maintaining a CLEAN, BEAUTIFUL, HAPPY, SAFE learning environment committed to the personal and academic excellence of all Spartans!

Cesar Chavez Students are Champions. Whether in academics, athletics or the arts, Chavez students lead the way. We offer solid academics, with one of the largest and most successful Advanced Placement programs in the District, allowing students to earn college credit in 13 different courses, in five content areas. We also provide a variety of innovative approaches to success on the AIMS test, as well as in college and the work force. We have established an excellent tutoring program and are supporting the success of our 9th graders with our FRESHMAN HOUSE program. AVID (Advancement Via Individual Determination), a college-prep program, is an important component of student success and is implemented school-wide. Our seniors earned over $5 million in scholarships to some of the finest universities and academies in the nation.

Our students participate in a WIDE RANGE OF SPORTS, CLUBS, AND ELECTIVES, including excellent programs in fine arts, performing arts, and JROTC. Our boys basketball and football teams are highly ranked, and our Academic Decathlon team is among the best in Arizona, annually. Attending Cesar Chavez, you will gain a solid foundation in reading, writing, and math, as well as the technology necessary for success. Our robotics team recently traveled to the White House to meet President Obama; just one example of the rich and varied opportunities available on to students on our campus.

Our highly educated and committed staff is ready to serve you with a wide variety of programs at our BEAUTIFUL AND MODERN CAMPUS.
Central High School is the home of the brilliant Bobcats! Central is proud to be the first comprehensive high school in Arizona to offer the prestigious Cambridge Curriculum, which is the world’s largest provider of advanced college curricula, examinations, and college preparatory classes.

Home to the Global Studies Magnet Program, Central offers a diverse selection of world language and global business classes.

Central partners with the Phoenix Suns for a special program called SUNS – CENTRAL, where students enjoy additional academic support via reduced class sizes, increased tutoring support, and special student incentives. The vibrant SUNS - Central program includes partnering with ASU for the highly acclaimed iTeach program where scholar student teachers, interns, and educational experts from ASU provide robust academic interventions, cutting edge instructional delivery, and world class staff development to improve academic achievement.

Destination Graduation is another stellar program for Central students as this unique program provides students graduation coaches and specialized computer software to help teachers monitor their students’ academic progress.

With world class curriculum, global business pathways, a student advisory period, extended learning opportunities, outstanding athletic programs, and diverse activities, Central students find our campus A SAFE, FRIENDLY AND RIGOROUS ENVIRONMENT FOR COLLEGE, CAREER AND LIFE PREPARATION.
Betty H. Fairfax High School is an international baccalaureate World School, offering a school-wide approach to the International Baccalaureate (IB) program. This is unique to a traditional high school setting as all students at Fairfax will have the opportunity to “experience” an education of high rigor that incorporates the IB philosophy of international mindedness and a global educational perspective. Fairfax is the 1st high school among Arizona IB high schools to offer a school-wide setting and it is our firm belief that our students can thrive in this environment of high expectations with strong support and guidance from a well-trained and caring staff.

- We inspire students to show compassion to others through service.
- We challenge students to pursue academic rigor and excellence.
- We prepare students for college, career and life.
- We educate students for a better world.

“It is our ultimate vision that through real-life experiences, challenging academic rigor and compassion for others, students will develop the skills necessary to be prepared for college entrance or a career path, advancing their economic autonomy and social responsibility.”

Carl Hayden

The mission at Carl Hayden Community High School is to PREPARE ALL STUDENTS TO BE LIFELONG LEARNERS TO MEET THE CHALLENGES OF A MULTICULTURAL AND TECHNOLOGICAL SOCIETY.

The CENTERS FOR COMPUTER STUDIES AND MARINE SCIENCE are among the oldest and largest Magnet programs in the District. We encourage all of our students to build their academic skills and performing art talents through a WIDE RANGE OF PROGRAMS, CLUBS, AND ACTIVITIES such as dance, cheer, football, cross-country, volleyball, badminton, basketball, wrestling, baseball, softball, tennis, track and golf. There are over 60 clubs on campus. Some of the largest and most active include the Blue Planet Society, MECHA, Wrestlerettes and Academic Decathlon. In addition, our AVID program promotes learning strategies campus wide and is preparing students to be the first in their family to go college. Our award winning Marching Band, JROTC Rifle club and our internationally-renowned Falcon Robotics Team encourage participation and student growth at the highest levels of competition! Our programs are designed to Prepare Every Student for Success in College, Career, and Life.

THE PRIDE IS INSIDE!

Maryvale High School is known for having an OUTSTANDING PERFORMING ARTS program which includes Touring Guitar Ensemble, Choir, Jazz Choir, Marching and Concert Honors Band, Jazz Band, Honors Orchestra, Piano, Dance and Drama courses and our new Mariachi class. The Panther Marching Band and the dance program have received state honors. The Touring Guitar Ensemble has performed for audiences on the East and West Coasts, in Europe and South America. Over 1,000 students participate in performing arts, and another 680 students excel in visual arts such as digital photo, drawing, painting and ceramics.

Maryvale offers membership in OVER SIXTY STUDENT CLUBS AND ORGANIZATIONS for all students. Competitive athletic programs such as football, soccer, basketball, track and field, cross country, spirit line, tennis, golf, baseball, softball, wrestling, and volleyball are offered to all students. Maryvale is proud to have the youngest Olympic Gold Medalist in wrestling among its alumni, Henry Cejudo.
At Metro Tech High School, an **A+ SCHOOL OF EXCELLENCE**, you will be fully prepared for college, career and life. **OUR ACADEMIC MAGNET PROGRAM INTEGRATES COLLEGE AND CAREER READINESS IN EVERY PROGRAM AND IN EVERY CLASS.** When you leave Metro Tech, we want you to be fully prepared to continue your education. You will have the confidence in yourself as a learner so that, whether you are in college or in a career, you are ready to take on any new opportunities to grow and advance. When you are a junior you will select a two-year **CAREER AND TECHNICAL EDUCATION (CTE) PROGRAM** from the many options we have on our campus. Whether it’s our Culinary Arts, Engineering, Health Careers, Green Construction Technologies or any of the other CTE programs (see page 7) we offer, you will learn important skills that will prepare you for a satisfying career. In addition, we have sports and club opportunities for all students, as well as a strong community involvement and cultural awareness focus.

South Mountain High School is the first and oldest high school in the South Mountain community, turning 60 years old in 2014, and educating students since 1954. It is also home to five magnet programs —

- AVIATION / AEROSPACE EDUCATION
- LAW-RELATED STUDIES
- PERFORMING ARTS (Dance, Music, Theatre)
- VISUAL ARTS
- MULTIMEDIA COMMUNICATIONS.

The school has its own art gallery, court room, radio station and simulated air traffic control tower, as well as one of the largest and well-equipped auditoriums in the state.

South Mountain offers a full academic curriculum including:

- Advanced Placement
- Honors
- AVID (Advancement Via Individual Determination)
- Dual enrollment
- Evening school

The well-rounded learning is evident in the success the South Mountain Academic Decathlon has achieved, qualifying for the State Championships 22 of the past 23 years.

The experienced teaching staff includes four National Board Certified teachers, and other award-winning instructors, and annually, excelling students earn over one million dollars in college scholarships. The arts flourish at South, from acting and dancing to sculpture and computer art. Opportunities for students to join clubs range from “Be a Leader” to the Wilderness Club that provides students the opportunity to experience the Grand Canyon by hiking and camping it with experienced teachers.

South Mountain also has a state and nationally recognized Step Team and JROTC along with a rich athletic tradition, winning 33 State Championships and sending many student-athletes to the college and professional ranks. A brand-new physical education building, with exceptional training equipment, is one example of South Mountain’s commitment to educating the “whole” student.

Every student is unique, and Phoenix Union has a variety of schools to serve every student. There are three small alternative schools that provide different learning environments for students.

Suns-Diamondbacks Education Academy is intended for juniors and seniors who have fallen behind in their credits. Through accelerated courses, personalized instruction in small classes, over one-thousand students at risk of dropping out, have earned high school diplomas.
Bioscience High School offers a full, integrated curriculum with an emphasis on science, technology, engineering, and mathematics. Students participate in innovative learning environments that include team-teaching, use of technology, and student-centered learning.

Instructors collaborate to design learning opportunities for students, and integration across multiple disciplines is a common theme found in every course offered.

Bioscience High School develops specific upperclassmen pathway courses that are tailored to student interests, some of which include: anatomy and physiology, epidemiology, wildlife ecology and engineering.

In addition, strong humanities, arts, and fitness curricula are offered to promote well-rounded learning experiences for students.

Franklin Police & Fire High School is the first of its kind in the nation, designed to provide students with a head start to a career in public safety. The program delivers rigor, discipline, and physical training along with an outstanding academic high school education in a small school setting. Students attend Franklin for law enforcement or firefighting / emergency medical services career and technical education, to prepare for college, and to become leaders. Following our core values, Franklin students are respectful, accountable and responsible.

Public Safety professionals teach the career classes while highly qualified Arizona-certified academic teachers teach core and elective classes. The school partners with area law enforcement agencies and fire departments to provide students with real world, hands-on opportunities that include internships, physical training and special employment programs. For instance, fire students can earn Wildland Fire Certification from the Bureau of Land Management. Franklin students can also earn dual credit in law enforcement and fire courses from Phoenix College or Grand Canyon University.

While the career training is exciting and rewarding, in its short history, Franklin has earned tremendous academic accomplishments in its short history. Earning an “A” ranking each year since letter grade rankings were issued by the state, Franklin was also a national blue ribbon school in 2014 - one of only four in Arizona. Its academic courses are integrated with public safety concepts to provide relevant instruction. If you are interested in training for a rewarding and respected career in public safety, saving lives, protecting citizens and property, and making your community a better place to live, then Franklin Police and Fire High School is the place for you.
