Prompt/Purpose: List all of the causes of not wearing your hearing aids (at school) and then list all the effects of not wearing them.

What is the main point of this?

Why? Main idea (red)

- Kids at school will make fun of you
- It's not cool or attractive to wear them
- You will stand out (be different)

NOT WEARING HEARING AIDS (at school)

- You will fail classes
- You will not hear what's going on in class
- You will miss important instructions or due dates
- You will not learn what you're supposed to learn
- Teacher will think you're not listening

Where? How do you know? (green)

- What personal experience do you have with the info?

Who or What? Point of View? (blue)

Why? Is this important? (red)

- Why is this info important to HEAR kids.
